Email address:

Case presentations must follow the guidelines below and be submitted to session moderators, Dr. Lena DeTar, ldetar@cornell.edu, and Dr. Staci Cannon, stacihcannon@gmail.com, by 5pm ET on Friday, May 28, 2021 for consideration.

Content

Presentations will last approximately 20 minutes, followed by 5-10 minutes of discussion during the workshop. Topics will focus on innovative management of any clinical problem relevant to shelter medicine, which may include individual patient management with population level implications or population level protocols.

Include the following sections:

- History/Background
- Case description (may include the following items)
 - Presentation/Physical Exam/Diagnostics
 - Problem list/Assessment
- Plan/Treatment
- Outcome/Follow-up
- Population applications/Discussion

File Format

Case presentations must be submitted in PDF format of Powerpoint slides. No more than 20 slides are recommended.

Images

Use high-resolution images that will project clearly during the presentation. Include photo/image credits when necessary.
